

Who are we?

Certified Angels is a high quality Arts Afterschool Program where smiles widen and dreams become reality while instilling the importance of performing community service and giving back to our community.

Our Mission

Certified Angels, providing a safe space through the Arts where our youth feel embraced and comforted for who they are while discovering their inner talents. We encourage creativity, self-awareness and physical activity while supporting them in their journey to become the best version of themselves.

Our Vision

We envision a place where our members discover their inner talents and develop new passions through the Arts. A place that encourages each of our members to become more aware of who they are and recognize their full potential, while working hard and believing in themselves. Certified Angels will provide them with a safe haven, an opportunity to express themselves, and a platform to tell their stories through Art.

Certified Angels 9th Annual Gala will be honoring...
